LEONA ŠTRUCELJ

REACT DEVELOPER

I am a software developer who specializes in application development and design. I have very good communication and organizational skills that I have gained through experience working in various sectors of activity. I am looking for new opportunities, primarily on the Frontend part, to work on ambitious projects.

- Git
- Heroku, Expo

LANGUAGE SKILLS

Croatian

Understanding
Speaking
Writing

English

Understanding
Speaking
Writing

6 + 3 = 9
but so does 5+4.

The way you do things isn't always the only way to do them.

Respect other people's way of thinking.

Student Assistant

Faculty of Informatics in Pula │ 10/2017 - 06/2018

Holding a practical part of the courses "Fundamentals of Programming" and "Structures and Algorithms" for students of lower generations.

· C++

fipu.unipu.hr

EDUCATION

Master of Information Technology
Faculty of Informatics, Pula | 10/2019 - 10/2021
The main area of study was OOP and Java development for mobile applications as well as advanced algorithms and data structures.
My FYP involved building a mobile application in React Native and Node.js that used RESTful web services and a PostgreSQL database.

Seeds for the Future
Huawei ICT Academy, China | 2020
It is a program that Huawei Technologies has been offering to the best students from various countries since 2008 to provide an active and practical learning experience, insight into research and development, and access to some of Huawei's latest high-tech information and communication technology equipment.

· 2nd place of the top 6 best

University Bachelor of Information Technology
Faculty of Informatics, Pula | 09/2016 - 09/2019
The main area of study was basic and advanced programming, web applications using JavaScript libraries, databases using SQL.
My FYP included creating web applications in HTML, CSS, JavaScript and PHP, as well as a MySQL database.

Economist
High School of Economics, Karlovac | 09/2012 - 05/2016
The main areas of education included accounting, banking and finance, statistics, economics, business communications, law, and so on.
My FYP was on the topic of internet marketing environment with the included research part of Facebook users' marketing perception, analysis, and review of the impact of internet marketing on the purchase decision.

ACHIEVEMENTS

· 3rd place on the Programming Competition 2017.
· 1rd place on the Programming Competition 2018.
· participation in the Central European Programming Competition in Prague, 2018.
· 4th place on the Programming Competition 2019.

PROJECTS

⚲ *github.com/lstrucelj*

You can briefly look at the projects on the personal website under the "Portfolio" section at the following link: https://leonastrucelj.com

COURSES

2023
ADVANCED REACT
Meta
Createing robust and reusable components with advanced techniques and learn different patterns to reuse common behavior, interacting with a remote server and fetch and post data via an API, seamlessly test React applications with React Testing Library

2023
PRINCIPLES OF UX/UI DESIGN
Meta
Covering the fundamental concepts, principles and best practices related to User Experience (UX) and User Interface (UI) design: Introduction to UX/UI Design, User Research, Information Architecture, Wireframing and Prototyping, Visual Design, Interaction Design, Usability Testing, Tools and Software

2023
CREATE HIGH-FIDELITY DESIGNS AND PROTOTYPES IN FIGMA
Google
Building mockups and high-fidelity prototypes in the design tool Figma, defining and apply common visual design elements and principles, demonstrating how design systems can be used to organize, standardize, and enhance designs, understanding the role of design critique sessions and feedback while iterating on designs.

2020
REACT - THE BIG PICTURE
Pluralsight
Createing robust and reusable components with advanced techniques and learn different patterns to reuse common behavior, interacting with a remote server and fetch and post data via an API, seamlessly test React applications with React Testing Library

ADDITIONAL ACTIVITIES

Handball
13 years of coaching:
· Karlovac Handball School
· WHC Karlovac
· WHC Arena
